Calculate Support

Your computer must be attached to a printer. The Child Support Entry Form will open in Adobe Acrobat Reader. Begin by clicking the appropriate button for the Custodial Parent, then press the Tab button on your keyboard to move through the form, or click on each line with your mouse.

Enter the appropriate information on each blank. Not every blank needs to be completed in every case. If you are not sure whether you should complete a blank, click on the word next to the blank. You will be directed to additional information along with a link to the appropriate section in the [Arizona Child Support Guidelines](#).

When you have completed the Entry Form, click the "Calculate Support" button to get an estimate of the amount of child support that the noncustodial parent may have to pay to the custodial parent for the support of their child(ren).

After clicking on "Calculate Support" the following forms will automatically be filled in with the information from the Entry Form. Print forms and bring with you at the time of filing your initial paperwork.

- Parent's Worksheet for Child Support Amount
- Child Support Order
- Income Withholding Order/Notice for Support
